

Folder +Stacker (Small pieces)

Folder +Stacker (Small pieces) is used to fold and stack small pieces. With 2 lateral folding.

Maximum working length: 1200mm.

Option

Maximum working width (4-lanes):

800mm (Model 3300), 850mm (Model 3500).

Maximum working width(6-lane):

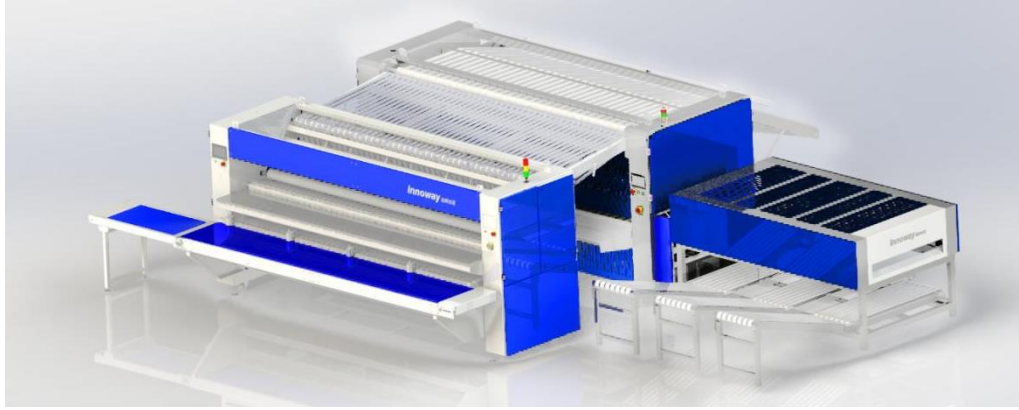

650mm (Model 4000).

Lanes: 4, 6.

You can combine it with Folder Classic. In this way, you can fold and stack large linens or small pieces with this ironing line. They can stack small pieces after

double lateral fold.
